

MY TRASH

forehead lumpy frenchfries from my  
hat's a clock tower cumberling and  
shining grease  
denture focused  
jaw squeals  
fridge sleep  
gummy shorts  
wadded in your pillow songbook limp  
with pagination 8 days clutched the  
wheel mumbler dazed into the  
windshield mirror

termite  
spirals in your dark glasses thought

with the paint I wrapped and sang in
